

MEDIC Database Release Agreement

NON-EXCLUSIVE LICENSE AGREEMENT

This Non-Exclusive License Agreement (“Agreement”) is made by the USTC-AC Research Group, University of Science and Technology of China (USTC)_____.

(Please fill in the name of your research group or laboratory on the line.)

The MEDIC database was constructed by the USTC-AC Research Group, University of Science and Technology of China (USTC). MEDIC dataset aims at aiding research efforts in the area of developing, testing and evaluating sign language recognition and translation algorithms. The video frames and annotation files in this dataset will be publicly available, but for RESEARCH PURPOSE ONLY. USTC-AC is serving as the technical agent for the distribution of the database and reserves the copyright of all the data in the database, including all the visual feature, audio feature, and text files.

The Licensee’s researchers who request the MEDIC database must sign this non-exclusive license agreement and thereby agree to obey the restrictions listed in this document. Failure to observe the restrictions might result in access being denied for the request of the future version of the MEDIC database and being subject to civil damages in case of publication of images and other related data that have not been approved for release. The researcher(s) agrees to the following restrictions on using the MEDIC database:

1. This agreement grants a non-exclusive, non-transferable, revocable, and limited license to the Licensee to use the Dataset *for the purpose of undertaking the Licensed Research Activity only, NON-COMMERCIAL USE.*

2. Any data, including *but not limited to the visual feature, audio feature, and text files in the database, will never be released in commercial materials, newspapers, or other public media.* The data will be used for the purpose of academic research only.

3. The MEDIC database, in whole or in part, will not be used *for any commercial purpose in any form*, including but not limited to using the whole or part of the data for sales, product promotional activities, and/or for training algorithms or other technology that is used or is intended to be used for commercial use or sold as or incorporated into a commercial product.

4. *The database will not be re-distributed, published, copied, or further disseminated in any way or form whatsoever, whether for profit or not.* This includes further distributing, copying, or disseminating to a different facility or organizational unit in the requesting university, organization, or company. *The Licensee shall not make or permit anyone to make any copies of the whole or any part of the Dataset without the prior written agreement with USTC-AC.* The Licensee shall not sub-license the whole or any part of the Dataset or make the Dataset available for any use by third parties without USTC-AC’s prior written consent.

5. *The Licensee shall avoid using part of the data where the identity of individuals is readily recognizable from such part* either as a stand-alone extract or where combined with other materials. Additionally, the Licensee is prohibited from attempting to recover the original person information on the processed data. This includes but is not limited to recovering faces from visual features as well as recovering original audio from audio features. In the event of any unintended disclosure or identification of individuals from the Dataset, the Licensee must immediately report such instances to USTC-AC and take prompt corrective action.

6. On request from USTC-AC, the Licensee shall provide (and if applicable shall ensure that any subcontractors and agents shall provide) the USTC-AC with such access (including access to such parts of the Licensee's and any sub-licensee processes and systems that are used for processing the Dataset) as *USTC-AC may reasonably need to review the use of the Dataset within the terms of this Agreement*.

7. The final explanation of this agreement refers to USTC-AC.
